*Lee Roy*

# "*Footprints in the Sands of Time . . .*"

And so it is we at Trinity this year have kept faith with those preceding Trinitonians who breathed life into the spirit of Tigerland . . . As Lee Roy's piercing eyes are set on a goal, and as he pushes forward, gracefully placing one foot immediately in front of another, veering in neither direction nor looking back, thus does he symbolize our great school . . . We salute the Tiger Spirit of Trinity University.

# *President's Message*

Trinity's second year on the "new" campus has been marked by progress. We have settled into our new buildings and beautified our campus. Plans for future growth have been made and a development program launched. The move and rapid growth have caused real growing pains, and we have learned the price of progress in cash and concern. Magnificent loyality and support continues to make possible our onward march.

Toward what goal? The development here of an outstanding Christian college of liberal arts; the continuation of processes of Christian higher education to produce trained Christian leadership; the maintaining of a community of learning loyal to the author of truth and liberty, this is our purpose.

We have a goodly heritage, and build on firm foundations God's purpose for our day. Each has his part. These pages may reflect something of our life and spirit. They may also inspire our courageous dedication to greater days ahead.

For the price of progress in the end is the personal loyalty and concerned interest of every Trinitonian. Under God, our resources will be sufficient for our task.

James W. Laurie

*Henry Frnka*
*Vice-President*

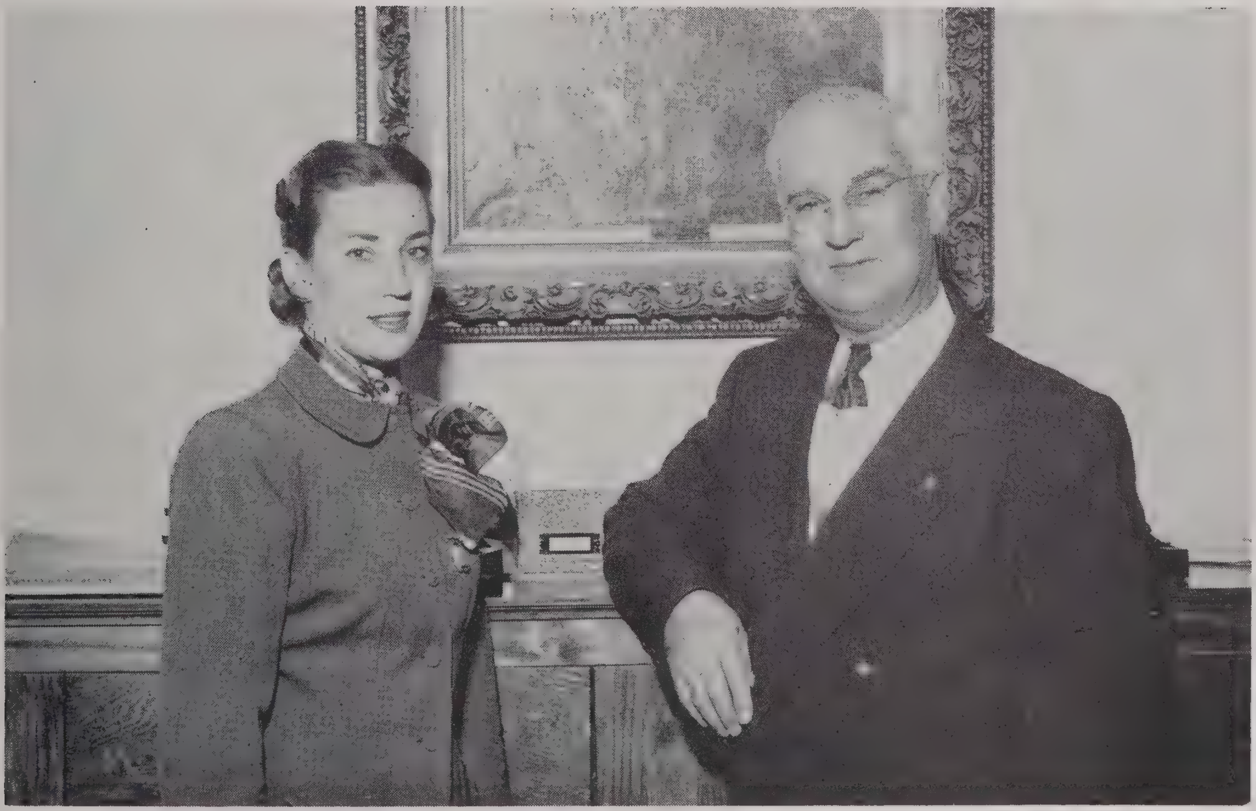
# Marion Bruce Thomas
Dean

## A Word From the Dean

It has been my privilege again to be associated with the students of Trinity University through another school year. This association is indeed one of the greatest of privileges, and most of the administration and faculty hope only that the student has benefitted as much from this association as we have.

I wish to especially commend the student body for its fine spirit, probably the best of any recent year. With such loyal support of many endeavors, Trinity will continue to grow at a very rapid pace.

It has been a year of great achievement which, in my opinion, foreshadows even greater ones to come.



Vivian Harper Higgins
Dean of Women

James Bliss Norton
Dean of Men

Leaving a high standard of leadership and an active participation in the building of a greater Trinity, the Senior Class has added much to "America's most modern campus." Their experience in developing and guiding student interests, plus a real school spirit have helped to bring about a closeness in unity of the student body and the faculty. The rewards they have achieved have been more than academic for there is the realization of ability to work with others, which is a basic need of the successful citizen of tomorrow.

The outstanding events which the Senior Class participated in are the Senior Dance, the Senior Picnic, and the Senior Breakfast.

Senior officers get some special attention.
Junior-Senior Banquet. Hey waiter — where's our food?
Skull practice. Okay exes — this is the lowdown.

Last game of the year for some — last game of college for others.
Load on a couple more and we're off for the Senior picnic.
Say Bulldog, think we ought to give it to her?

The junior class members have proven themselves capable to take over the responsibilities which will be theirs during their final year. They have shown a high level of leadership in the activities of the campus and have proven to be supporters of school spirit in the best Trinity tradition. No school could have a finer representation than that of Trinity's juniors.

This year the Junior Class sold ribbons at football games, sold tickets for the presentation of **Macbeth**, and sponsored the Junior-Senior Banquet.

The Sophomores this year have already shown an ability in carrying on the unity necessary for a close knit and successful student body. This was evidenced by their capability as Sophomore Counselors to the incoming freshman class. They have achieved a realization of those qualities necessary for developing the confident and responsible college student.

Campus activities promoted by the Sophomore Class were the Freshman Orientation, the annual Sophomore all-school Christmas Dance, and the co-sponsoring of an all-school comedy picture show.

# *Activities*

You're doing good fish — only five more minutes to go.

All day I face, the barren waste,
without the taste of water—

Luscious lovelies show the latest styles.

Kibitzers unlimited.

Turnabout is fair play.

# Freshmen

Left to Right: Sonny Schaefer, Marion Arthur, Sara Cooksey, and Bob Fields.

**Sara Cooksey**
*Treasurer*

"Outstanding" describes the Freshman Class of this year. Integrating themselves into the role of college students with a goal in mind, the freshmen quickly proved themselves as members of the Trinity family. They easily won the victory on Flag Day, and since then have shown no letdown in this fine display of spirit. They have taken an active part in all school events in the best Trinity tradition, and have proved themselves capable of accepting the responsibilities which will be theirs throughout the rest of their college days.

Events sponsored by them were the Twirp Days, which originated with this year's class, an all-school spring formal, the co-sponsorship of a Mitten Tree at Christmas, and the sponsorship of two variety shows put on by Lackland cadets.

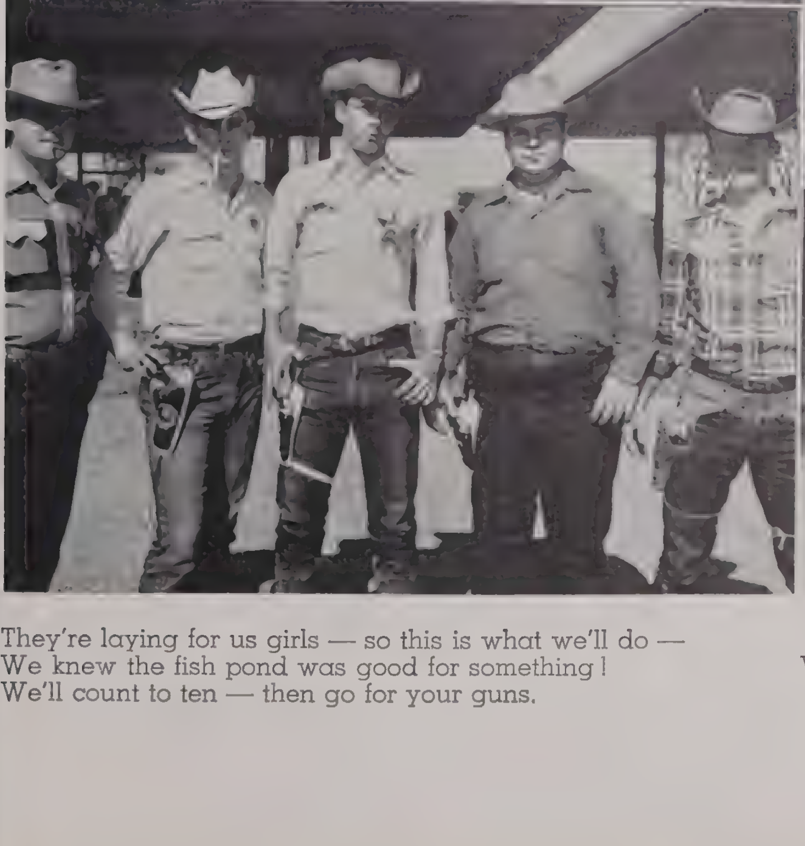
# Fish

Fish days — all around the school.
Cap — Cap — who's got the cap?

Dior and his famous models!
Ugh!
Volunteer firemen.

# *Activities*



They're laying for us girls — so this is what we'll do —
We knew the fish pond was good for something!
We'll count to ten — then go for your guns.

Oompa! Oompa! Here comes the Fish band.
With a T—T—T-I-G—with an E—E—E-R-S—T-I-G-E-R-S—

# *Mid-termers*

## *Student Council*

Student Council activities for the year include the printing and distribution of the student handbook, the **Mores,** and of the Student Activity Books. Other functions of the Council include sponsorship of parades, free all-school dances, student assemblies, and the annual Homecoming. The council represents the students at intercollegiate meetings.

Left to right: James Bullard, Tommy Jo Everett, Lawrence Lane, John Poteet, Eugene Combs, Ruth Unger, and Mary Alice Jewell.

JOHN POTEET
Chief Justice

TOMMY JO EVERETT
Associate Chief Justice

RUTH UNGER
Court Clerk

## *Student Court*

The Student Court is the judicial body of the Associated Students and is composed of seven students, including four members of the senior class, two members of the junior class, and one member of the sophomore class. The Court has the power to judge and pass sentence on all cases involving student discipline and honor, student constitution violations, and cases of student officer impeachment.

## *Student Christian Association*

Y. M. C. A.
Y. W. C. A.

Student Christian Association was organized on the campus in 1943, combining the former Y.M.C.A. and Y.W.C.A. It has a rich heritage, for the Y.M.C.A. was the oldest college organization of its kind in the state, and the Y.W.C.A. was active in campus life from the time of its beginning. The organization fills a definite place on the campus. It offers an opportunity for spiritual growth, provides training in Christian leadership, and strives to broaden the vision of Christian fellowship. Membership is open to every man and woman on the campus.

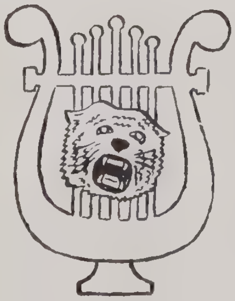
## *Bengal Band*



The Trinity University Bengal Band, with the largest membership in its history, is completing the most successful year it has ever experienced. In addition to spectacular half-time demonstrations at Trinity's six home football games last fall, the unit played at two of the three out-of-town games, at Kingsville and Amarillo.

## *Bengal Band*

Once football season was closed the musicians embarked on a busy concert season, which featured two concerts at the university and numerous performances at near-by high schools. The band was chosen to play for the formal coronation of the Queen of San Antonio's Fiesta de San Jacinto, and it marched in several parades during the year, including the Battle of Flowers and the Fiesta Flambeau parades of fiesta season. The band played host to many neighboring high school bands at the annual Band Day celebration during football season.

C. Chapman, and Eugene Combs.

## *Trinity Choir*

The Trinity University Choir is widely known throughout the Southwest for its excellent renditions of famous choral music, ranging from the classics to modern and spiritual favorites. Each spring the Choir makes an extended tour through Texas and neighboring states, and each Christmas season the Choir and the Opera Workshop combine to give beautiful Christmas contatas and operas. Membership is open to any Trinity student who has a desire to sing.

Left to right **(Top Row):** — Charles Reese, Gayle Smith, John Poteet, Janie Briner, Arnold Matera, Bryan Ellis, Sue Etchison, Virginia Hicks, and Arlene Cortez. **(Center Row):** — Jack Stotts, Fay Martin, Douglas Semmes, David Cater, Ralph Stapleton, and Colleen Henderson. **(Seated):** — Dr. Paul J. ## September 19 — San Antonio

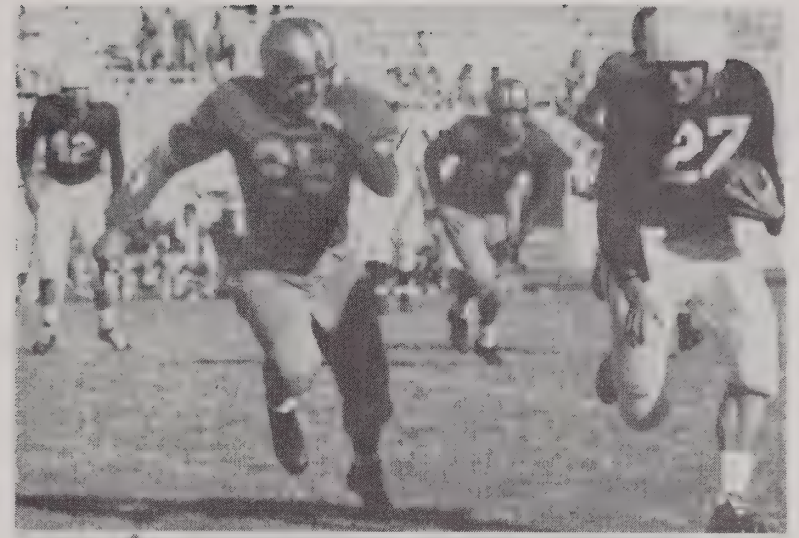
The Bengals of Trinity University opened their 1953 football season with an impressive 40-21 victory over the Bobcats of SWTSTC. Out to avenge last years 12-7 loss to the 'Cats, the Tigers scored in every quarter as Alvin Beal, captain and ace quarterback, combined his passing wizardry with the hard running of backs Deral Castle, Bill Lowe, and Bob Sweet to rack up the first Tiger win of the season.

Bob Jones, Tommy Majors, and Freddie Copps also showed promise of a great season as each contributed to the win. Majors and Copps each scored one touchdown, and Jones caught passes to set up one more.

## September 26 — San Antonio

Trinity came to life in the second half of the East Texas State game to come within one point of bringing to a halt the longest win streak in college football. After being held scoreless for the first half, the Tigers opened up their aerial game, and quarterback Alvin Beal tossed the pigskin for 135 yards and two scores. Freddie Copps carried the ball for the other Tiger tally.

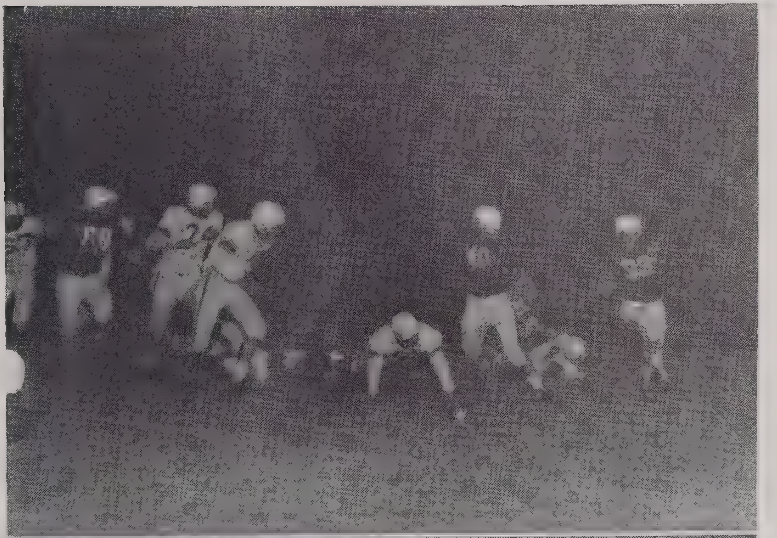
Mike Trcka also came into his own, carrying the brunt of the Tiger running attack, and Odis Michalk added to the Bengal ground game two sparkling runs. The hard-charging Bengal line kept the Lion backs in constant hot water, and rushed Lion quarterback Jim Gray so hard that he managed only eight yards through the air during the game.

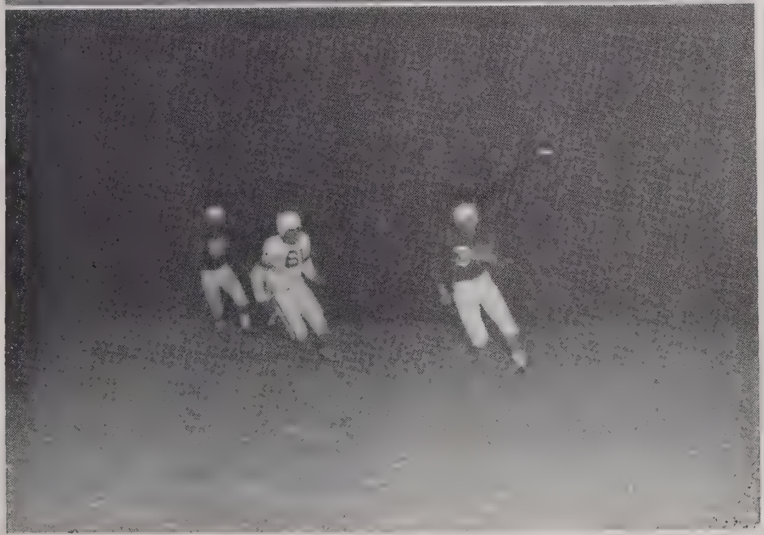


## October 3 — San Antonio

The underdog Trinity Tigers proved that they had what it takes as they surprised the Cowboys from Hardin-Simmons with a 27-21 victory in Alamo Stadium. The Skyline Bengals outdid the visitors in every department as they rolled to their second win of the young gridiron season.

Alvin Beal was again the big gun for the Cats as he tossed two long aerials to ends Tommy Majors and Bob Jones to set up two of the Cat scores. The other two came via the ground route, with Mike Trcka plunging over from the two and Bill Lowe returning a H-SU punt 77 yards for a TD. Bob Sweet got in his contribution in the form of a 34 yard dash to set up Trcka's scoring plunge. Great line play by the entire Bengal forward wall was also an outstanding feature of the game.

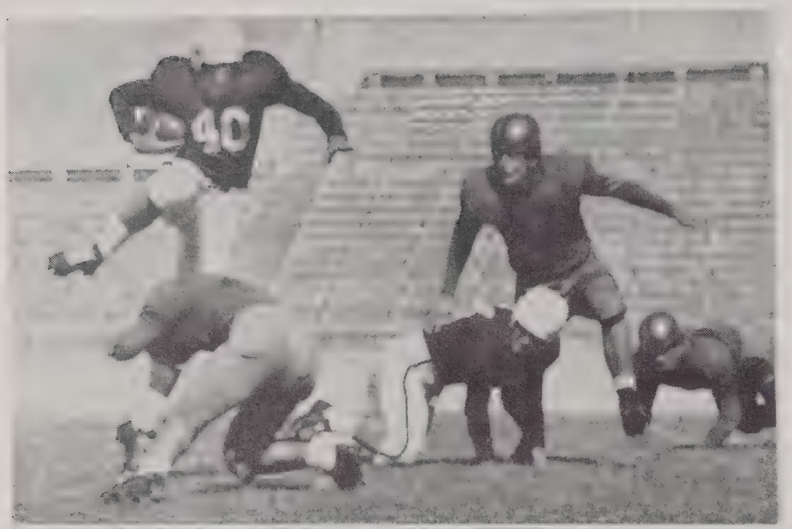




## October 10 — Amarillo

A heavily favored Tiger eleven took the field against the West Texas State Buffaloes in Amarillo Stadium, and found the going a bit rougher than expected as the underdog Buffs pushed them all the way before allowing themselves to become Trinity's third victim by a 14-6 score. Charles Arnecke, Beal's understudy at quarterback, was the big gun for the Cats, scoring all of Trinity's points in the contest.

Turning in outstanding line performances for the Bengals were Bobby Beal, Tommy Majors, Bob Fraley, and Duke Cook, who consistently broke through the Buff line to stop their ball carriers behind the line of scrimmage.



## October 17 — Kingsville

Lee Roy was kidnapped, and the Texas A&I Javelinas were skinned as the Tigers traveled to Kingsville to pick up their third consecutive victory, 19-12. Operating without the services of ace quarterback Alvin Beal, who had been injured in practice the preceeding week, the Skyline Bengals were ably led to their fourth win of the season by Charlie Arnecke, Bob Sweet, Odis Michalk, and Mike Trcka, Michalk turning in the longest run of the year, a 90 yard touchdown dash following the second A&I kickoff.

Big Duke Cook, 210 pound linebacker,-center for the Cats was the outstanding defensive player on the field. Cook repeatedly broke through the line to rush the Javs backfield, and was in on a large majority of the tackles throughout the game.

## October 31 — Lake Charles, La.

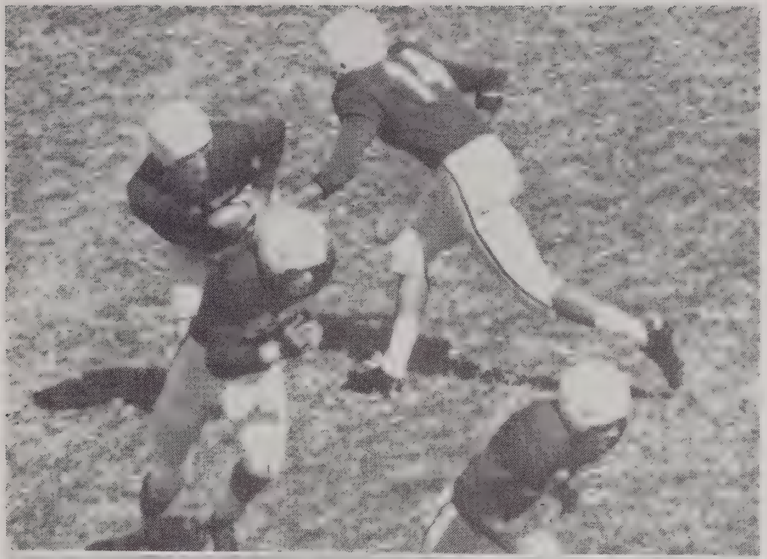
After a week of rest, the high-flying Bengals journeyed to Lake Charles, Louisiana, to take on the McNeese State College Cowboys of Lake Charles. Riding on the passing arm of Alvin Beal, the Cats were complete masters of the contest as they handed McNeese its first shutout of the season, 20-0. The Bengals were never seriously threatened as Beal, Odis Michalk, and Bill Lowe, together with Tommy Majors and Bob Jones, proved the Texans superiority over their Louisiana neighbors.

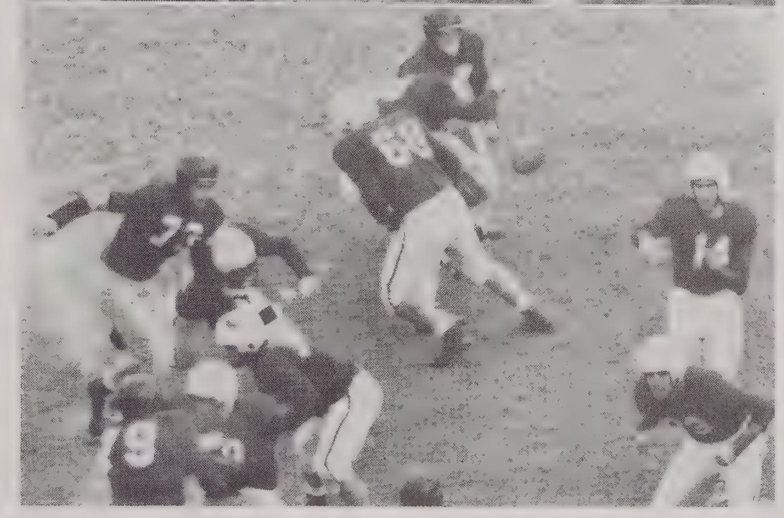
Outstanding in the line for the Bengals were Majors, Jones, Duke Cook, and Malcolm Robbins. Majors and Jones each caught one Beal aerial for a score, and all four boys played a great defensive game.

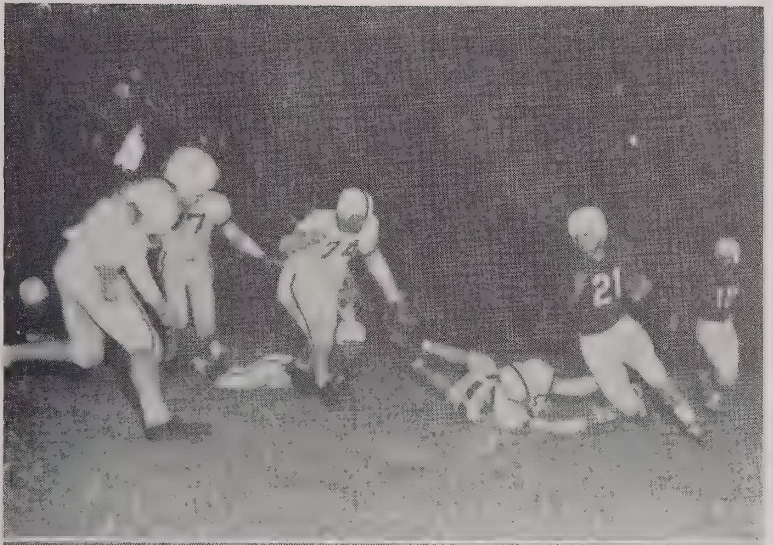
### November 7 — San Antonio

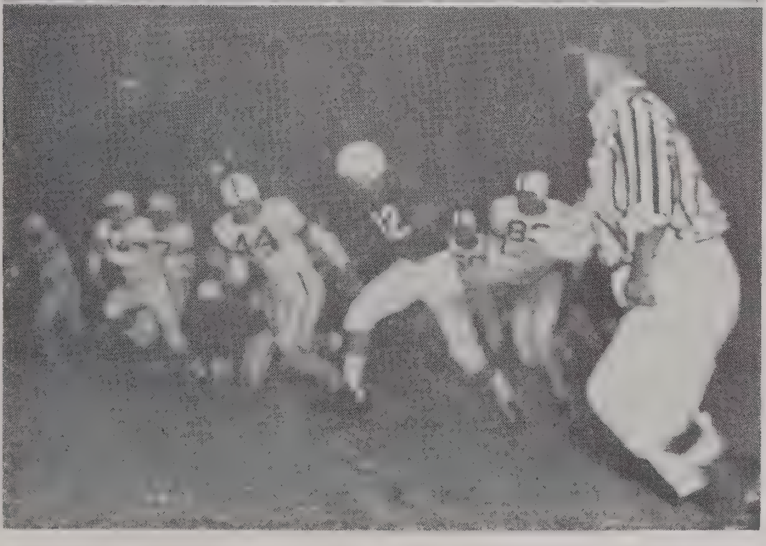
Relying mostly on their ground game because of a stiff head wind, the Skyline Bengals ground out their sixth victory in seven games and their second straight shutout with a 14-0 verdict over the Sul Ross Lobos in Alamo Stadium. Hard running by backs Bill Lowe, Bob Sweet, and George Jageman highlighted the game as the bowl-hopeful Tigers rolled on in their best season in many years.

The hard-charging Cat line, led by center Duke Cook, held the Lobos to a mere 191 yards rushing, and charged the Wolf passers so badly that they completed only five of thirteen attempts.





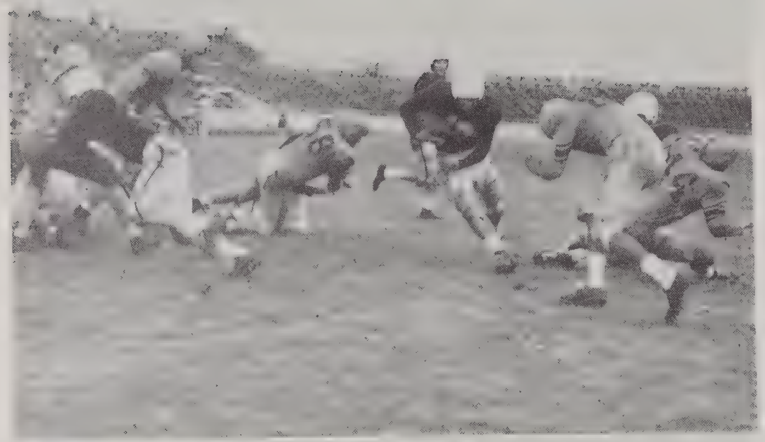




### November 14 — San Antonio

In their first conference game, the Cats really turned on the steam as they completely routed the Kiowas from Midwestern University by a 62-7 score. Sparked by the aerial wizardry of quarterback Alvin Beal and the running of a host of backs, the Skyline eleven racked up an almost unbelievable total of 599 yards while on the offensive, while a stone-wall defense allowed the outclassed Indians only 39 yards rushing and 83 passing.

Long runs highlighted the game, as Odis Michalk, Bill Lowe, Bob Sweet, Bubba Hayes, and Gerald Miller all turned in runs of 30 yards or more. Tommy Majors, Bob Jones, and Chic Neal all caught touchdown passes from Beal, and Malcolm Robbins and Onufry Kiolbassa stood out on defense for the Cats.



## November 18 — San Antonio

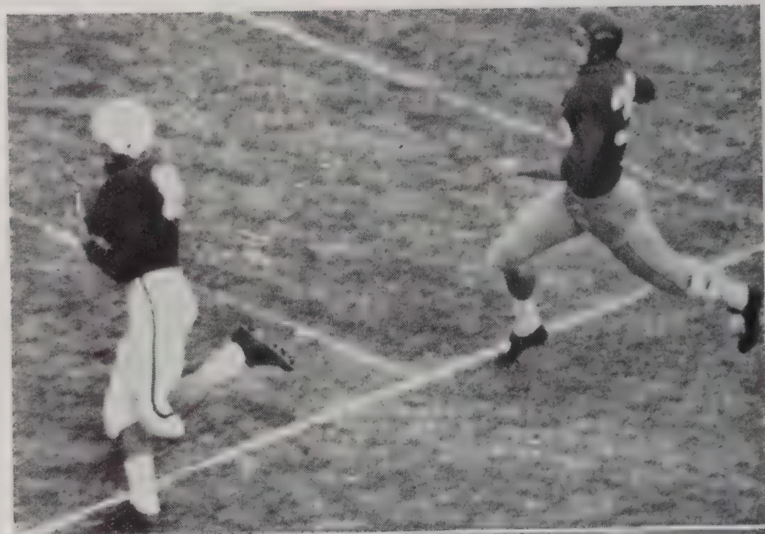
The Trinity Tiger Freshman team turned the tables on the previously unscored on Southern Methodist Jayvees as they shut out the Ponies, 25-0. The vaunted SMU defense proved no obstacle to a high geared Cat scoring attack as Gerald Miller and George Jageman repeatedly ripped off yardage against the visitors. Miller paced the Bengal scoring, accounting for 19 of the 25 Tiger points himself. Jageman made the other tally on a run through the center of the Mustang line.

Anchoring the stiff Cat line were Sammy Knox, Bob Zahradnick, Harold Droddy, Joe Dobes, Jerry Watson, and Tommy Howell. Thanks to these boys mainly, the Ponies could muster only 23 yards on the ground and another 76 through the air.

## November 28 — San Antonio

In the final game of the season, the Skyline Bengals captured their first Gulf Coast Conference championship in the history of the school and at the same time broke a 13 year victory drouth with the North Texas State Eagles as they rolled to their eighth victory in nine games by downing the Eagles 14-6. Alvin Beal, Trinity's nominee for Little All-American, engineered the Cats to their 14 points in the first half, before he was removed from the game in the third period after an Eagle had knocked him out while attempting to pass. From there on, rugged line play dominated the spotlight with Duke Cook, Trinity's other Little All-American candidate, leading the Bengal forwards.

With the completion of this game, Trinity wound up its 1953 gridiron season, and its record of nine wins, one loss, and no ties was its best in many years. Though the Tigers failed to gain a bowl bid, Trinity supporters are looking forward to next year, when the Tigers are expected to again produce a winning eleven.



Friday night, March 5, the first spring training game between the Trinity Varsity and the Trinity Exes in history was played on a damp field in Alamo Stadium. The varsity and the Exes, made up of a number of ex-Trinity footballers, played one of the most spirited games seen in the stadium oval in quite some time.

Although the varsity won the contest by a 28-19 score, the Exes won a moral victory. Led by quarterback Bill Lowe, a graduate of T. U. in 1954, they made a real fight of it throughout the game. Great running by Gerald Miller, gridster of '54 and Bobby Maddox, Tiger great from the 1953 grid machine, coupled with the pass snatching of ends Tommy Majors, '54, and Blackie Jones, '54, kept constant pressure on the Varsity.

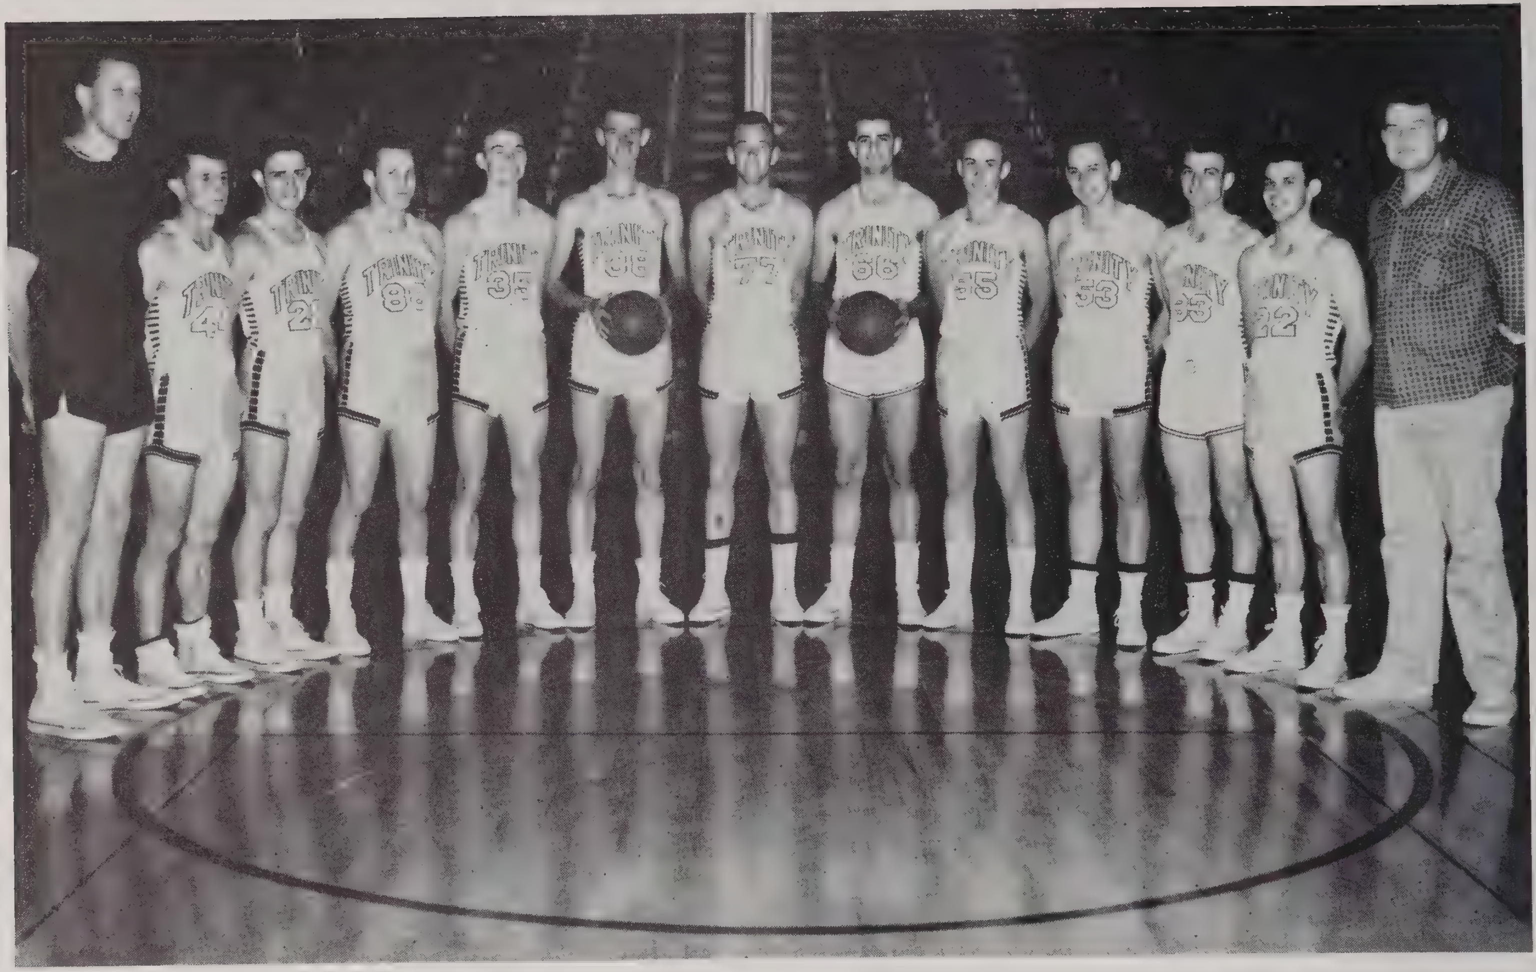
# *Basketball, 1953-54*



Coach Smith, Gilliam, Kilborn, McLemore, Norris, Hill, Douglas, Reed, Martin, Fowler, Marthis, Dresch, Journey, manager.

Although they had a very poor season, winning only one game while losing 23, the 1953-54 edition of Trinity basketballers had a hustling, hard-fighting club. Only two teams met by the Tigers did not have a terrific height advantage, and the Skyline Bengals won their only game from one of them. The Cats had a new coach, and were not expected to do too much this year. They did, however, play a fast, entertaining game, and next year should really be clicking.

# *Golf 1953-54*

Pat Symons, captain and Coach Jack Thomas.

Trinity's golf team, at the time the annual went to press, had a respectable record of 3 wins and 1 loss. They had beaten Hardin-Simmons, Texas A. & M., and Baylor, in addition to entering the Laredo tournament and the Southwest conference tournament. The team came in sixth in the Laredo contest, and fourth in the Southwest tilt, both of which are pretty respectable positions considering the competition. With the golf season just started, the Tiger linksmen show promise of a great season on the fairways.

Trinity University's first Intercollegiate bowling club had its birth in the Trinitonian office in February. A product of sports writer Randy Woods, the idea materialized into the first bowling team to wear the Maroon and White of Trinity. Since its beginning, the team has entered into two tournaments; numerous matches with Texas A. & M., and other SWC schools. A squad of 24 turned out for the original team formed early in March. Under the guidance of Jim Shelton, sports director of TV station KGBS-TV, the team has shown great promise and should be a top contender next year. In addition, four Tiger teams have entered into the San Antonio Intercollegiate Bowling League with teams from St. Mary's University and San Antonio College.

**Houston Wheeler, Advisor**

# *Intramurals*

With Wayne Bryan acting as chairman of the Intramural Council, the Trinity intramural season opened with football on October 12. Originally, there were 19 sports scheduled to be run off during the intramural season, but the individual sports were so late in getting organized and started that the events were cut down to only four, those being basketball, football, baseball, and the cross-country run. An intramural field day was held late in the second semester. At this field day, the All-Star basketball game between the winners of the Intramural basketball tournament, and the Intramural All-Stars was held, in addition to a tug-o-war, a cross-country run, and several other events.

**The Blue Saints, leaders in the Intramural championship, are pictured above. They are, from left to right: Dirk Swain, Moses Sevier, Charles Harwell, Virgil Land, and Dink Reese on the top row, while seated are: Ken McCall, Herman Harren, Bob Morrow, and Sonny Schaefer.**

# *Intramural Champions*

The Blue Saints, composed of members of the Christian Vocations Fellowship and Blue Key, took first place in the football tournament and were leading the basketball race at the time the annual went to press. They were undefeated in football, and had lost one game only in the basketball race. Earlier in the year, immediately following the regular football season, they were defeated 25-0 in the Dust Bowl game by the Intramural All-Stars, made up of the best offensive and defensive players from the other teams entered. They will also play an All-Star squad in a post-season basketball game, if they win the basketball championship.

The Intramural football season started on October 2, 1953, with five teams entered in competition: the "T" Association, Blue Saints, Homebuilders, Triniteers, and the Mulberry Gang. However, before the season was over, the number of entries dropped to four with the withdrawal of the "T" Association.

Throughout the season, the participants in the football games showed good sportsmanship, and each man played the game like it was a college bowl game. The spirit exhibited at these contests made the program a great success, and toward the end of the season the competition was so spirited that quite a few students started turning out for the games.

Don Norris, end from the Triniteers, took the scoring honors for the season, turning in a grand total of six touchdowns and two extra points for 38 tallies. Behind Norris was Jackie Thompson of the Mulberry Gang with 36, and Richard McIlhany of the Homebuilders with 25. The defensive standouts were Les Lewis of the Mulberry Gang, Johnny Brock of the Homebuilders, and Joe Kerr of the Triniteers.

At the end of the season, the teams were in the following order: Blue Saints, Triniteers, Homebuilders, and Mulberry Gang.

Intramural basketball got off to a late start, but with six teams entered it promised to be a very active sport. The Blue Saints, winners of the football championship, were established as the favorite and were leading at the time the annual went to press. Following them were the Party Boys in second place, the Mulberry Gang in third, Triniteers in fourth, Hawks in fifth, and the Homebuilders bringing up the cellar slot.

The intramural games were played in the gymnasium at TMI, but in spite of the distance from Trinity's campus to the Institute, only one forfeit occurred during the season. Each team did a fine job of producing enough steady players to make the season a success, and toward the end of the tournament a few students from the Skyline campus were turning up to watch the contests. The Intramural Council was well pleased with the success of the program.

# Trinitonian

Ruby Lee McPherson, managing editor; Barbara Glascock, editor-in-chief.

The Trinitonian, student newspaper of Trinity University, was founded in 1901. Since its beginning, the Trinitonian has won numerous contests for its makeup, editorial, feature, and newswriting, and support of various drives. Under the guidance of Mrs. Nelle Robinson, the paper has advanced to its present ranking as one of the top college papers in the nation.

# AUTOGRAPHS

# Farewell

## Kay and Lee Roy

It is difficult for a yearbook to portray the full scope of such rapid physical growth and magnificient spiritual expansion as has been at Trinity in 1953-54. But as time passes on, may the recorded pages of this year's Mirage remain inside the hearts of all concerned.

"Render unto Ceasar the things that are Ceasar's." And so to our patrons I dedicate this expression of gratitude. To all professionals whose expert advice and skilled craftsmanship have enabled us to produce this yearbook, and to all others on or off the campus who cooperated with us, I extend this note of thanks.—Kay Caskey.

We are glad to have had an important part in the production of this successful annual. We are equally as proud of the book as you are and appreciate your fine spirit of co-operation which has made this publication possible

You are always welcome to visit our display rooms, or the manufacturing department where this annual and other fine printing and lithographing is produced
